2009 RACING SEASON UNDERWAY APRIL 25!

Iron Eagle Racing and driver Tim Schendel are anxious to get the 2009 season underway! Tim and the crew have been hard at work during the winter months building the brand new TexPar Energy Chevrolet super late model. On Saturday, April 25, we will debut the new car at the Dells Raceway Park at the first ASA Midwest Tour race of the season, The "Race for the Gold."

We are excited to share with you some changes that have been happening within our team. The 2009 race schedule has been finalized. In addition to running full-time in the ASA Midwest Series as a 2009 Touring Star, Tim will also be participating in the All-Star Challenge race on June 30 at the Madison International Speedway in Oregon, WI. This race will feature NASCAR drivers Kyle Busch,

Matt Kenseth and Tony Stewart. On August 29, Tim will compete in the Wisconsin All-Star Race at the Milwaukee Mile with NASCAR's Matt Kenseth.

Tim will be also be competing in Marshfield in two of the Wisconsin Challenge Series races on June 13 and September 13.

Please check out ASA's website www.asamidwesttour.com for race times. And, as always, for updated information on the team, go to www.timschendel21.com.

We hope to see you all at the race track in 2009!

Iron Eagle Racing is proud to announce the addition of five new sponsors to our team!

We are pleased to announce the addition of Marr Promotions, the Rite Spot, Novac Powdercoating, Klotz Lubricants and Tim Neubauer Trucking to our family of sponsors. Marr Promotions is based out of Sparta. They specialize in customizing apparel, caps, and promotional items. They can also screenprint, embroider and customize almost anything. They will be supplying our team with our logo wear. Their logo will be displayed on the bottom part of the hood of the TexPar Energy Chevrolet.

Novac Powdercoating is a division of Mathews Inc. in Sparta and did a fantastic job powdercoating our car for the 2009 season. The Rite Spot, Tim Neubauer Trucking in Sparta and Klotz Lubricants have been great supporters of our team in the past and we are pleased to offer them space on our car as associate sponsors.

We also want to welcome back all of you who have supported us in the past and renewed your commitment for 2009. TexPar Energy is once again our primary sponsor and we are proud to have them aboard. Without their

commitment to our race team, we would not be able to compete at the level that we do. We also would like to welcome back Shades Body Studio, Leo's Bar, Bud Light, Wehrs Machines & Racing Products, Chippewa Spring Water, Evans Printing, Cote Construction, Boldon Bros. Masonry, Wehrs Chevrolet, Wayne Bohl Trucking and Dean's Satellite. In these tough economic times, we are truly grateful for all of your support and belief in our team to help make us successful.

Tim welcomes back crew chief and crew members!

Chris Bires will once again serve as Tim's crew chief this season. Mark Flock, Brad Powell and Tracy Lindley are also returning to our crew. We welcome new crew members Brian Westley, Shane MacNamara and Buddy Myhre. Again, without the support of our crew members, we would not be the race team that we are! We thank them for their help and are truly grateful their support.

Tim was third in overall points in 2008 in the ASA Midwest Series!

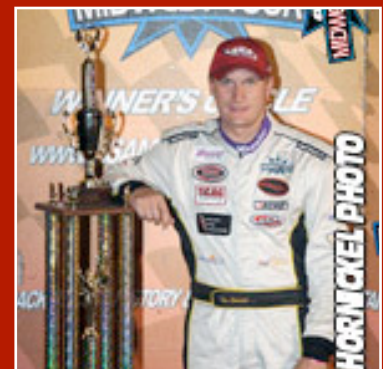

2008 HIGHLIGHTS

Tim won his first 2008 "Fast Qualifier Award" at the Iowa Speedway.

Not only did Tim secure the fast qualifier award, he took the checkered flag at Iowa, beating out NASCAR's Matt Kenseth for the win!

Tim took home the first place trophy at the Kim Parsons Memorial at Marshfield.
